

New York Philharmonic Patron Program

A Message from Carol D. Schaefer, Patron Chairman

In my role as Patron Chairman, I look forward to seeing all our Patrons at events throughout the season. These are the most meaningful and enjoyable opportunities to meet Orchestra members and guest artists and become a real partner in our Philharmonic family.

Patron support helps the Orchestra present exciting programming with the most talented guest artists and conductors who perform with the highest level of excellence; Patron gifts are the driving force behind our many outreach and education programs. The Philharmonic is pleased to recognize total annual support for events, education, and Patron gifts

(which begin with a gift of \$1500) and offer all Patrons many exclusive benefits and privileges such as access to our VIP Patron Ticket Service and invitations to our private chamber music performances.

If you are not currently a Patron, I urge you to support the finest orchestra in the world and become a Patron—I am confident you will value your membership and your further association with the New York Philharmonic. It would be a meaningful partnership between you and the New York Philharmonic.

To join the Patron program or to request additional information, please see page 64, Benefits of Membership, call the Patron office at (212) 875-5682, or e-mail patrons@nyphil.org.
